

Limited Warranty

Lenso Wheel warrants to the original purchaser that its wheels will be free of any defects in material and workmanship for a period of one (1) year after original purchase. Warranty is only valid when wheels are properly installed and limited to use on normal road and highway driving condition. Pothole or road hazard incidents are not considered for warranty coverage under any circumstances.

Lenso Wheel agrees (at its discretion) to repair or replace in any wheel found to be faulty in material or workmanship from factory after inspection.

Lenso Wheel will not be held responsible for transportation costs, any damage or loss caused by delays, failure or any consequential damage arising from any cause whatsoever or any other charge incurred in the replacement of a defective product.

Warranty is automatically void on any wheel that has been altered in any manner, such as bolt circle diameter, offset, center-bore and any of the following conditions;

1. Wash damage, chemicals, caustic cleaning agents and climate conditions (road salt)
2. Any appearance defect (scratches) in wheels that have been damaged during mounting or which have been display.
3. Any defect, malfunction or failure caused by shipping, transporting, off-road use, abuse, accident or negligence caused by any involved party.
